Work Experience

Ozark Mission Project *– College Staff, Little Rock, AR*   2019-2020
Established a relationship with campers, students, and volunteers to help them
make a global difference and grow in their faith with God. Planned the projects
done at camp, checked on workmanship of projects, and provided programming
and evening worship services.

Pulaski County Special School District *- IT Temp, Little Rock, AR*   2018
Worked with the IT department of the PCSSD to set up computers,
servers and chrome books throughout schools in the district. Installed software
and programs and made sure computers and technical equipment was ready and up
to date for the school year.

So Restaurant Bar *- Dishwasher, Little Rock, AR*   2017-2018
Cleaned dishes, silverware, and glasses. In charge of washing and cleaning the
dish pit at the end of the night. Swept and mopped the floors, cleaned the restrooms
and restaurant countertops, took out the trash every night. Helped the cooks and chief
with any other tasks needed.

Cajun Sno - *Cashier/Server, Little Rock, AR*   2017
Took orders and made orders and served the customers their snow cone orders.
Received money from customers and stored in the register or used electronic card reader.
Opened and closed the snow cone stand by making sure counter tops where cleaned
and making sure all flavors were stocked and ready for the day.

Volunteer Experience

Ozark Mission Project, AR   2014-2018
Volunteered in towns across Arkansas. Mountain Home in 2014, West Helena in 2015, Camden in 2016, Hot Springs in 2017, and most recently Pine Bluff in 2018. Traveled to each town for one week in the summer with the Ozark Mission Project organization to help low income and elderly individuals by constructing wheel chair ramps, painting houses, doing yard work, or any other task that they could not do themselves.
